Dear Ms. Mancini:

The Office of Health Services would like to thank you for taking the time to come and participate in our Annual CUNY Wellness Festival on April 29, 2009.

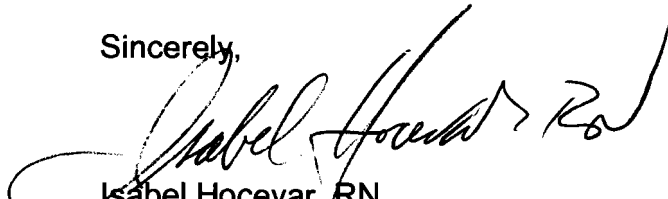

Also, we appreciate your past participation which includes: three CUNY Wellness Festivals, World Aids Day Festival, and our Frank Egan Memorial Lecture Series.

Your information and expertise was extremely useful, helpful, and educational to our students and staff. Thank you for your continued presentations. We had very positive feedback and satisfaction, and look forward to working with you in future events.

Ms. Mancini, your knowledge is highly valued and we would highly recommend your program to any other institution.

Thank you again, on behalf of Queenborough Community College of the City University of New York and the Office of Health Services.

Sincerely,

Isabel Hocevar, RN
Director of Health Services
